

Hi!

My name is Tyler Miller and I am a local Realtor that is reaching out on behalf of my buyer. I have a buyer hoping to move into your beautiful Rapp Farms neighborhood.

This buyer is looking for a home up to \$1.2 Million and is looking for one with nice, trendy updates.

If you have had any thoughts of selling your home,

please let me know. The market is at an all-time high!

The best part is if you allow me to represent both you and the buyer, I will be able to provide a nice commission discount to save you money.

Please call or text me ASAP if you have any interest!

Thank you and I hope you have a great day!

Tyler Miller
